The Commission may vote on the resolutions, or it may postpone a vote until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend, or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. If and when the Commission adopts the resolutions, the final documents will be published on the Commission's web site.

The date of submission is the date the comments are received by the Telecommunications Division. Parties must serve a copy of their comments to each requesting party, if any, as set forth on the Commission web site on the same date that the comments are submitted to the Telecommunications Division. The requesting party list, if any, will be available on the Commission web site at: <http://www.cpuc.ca.gov/static/industry/telco/public+programs/index.htm> on June 28, 2006.
